10. Did the contractor conduct a post-installation follow-up and address any questions? Yes
11. Please share any additional comments or describe in your own words your overall experience.

Customer comments:

AA Service and Repair customer service was exceptional. I currently own a Condo and am a member of the Association BOD, and have posted their company as a preferred provider on our community website. Their staff was extremely professional and I could not have asked for better service. I obtained 3 estimates to have the entire unit replaced and AA Service was the most cost effective and provided better service.

I will refer this company to everyone I know.
